

God's Family Begins and He Loves You

Way back in the beginning God began to make everything.

Hello sea and sky - You're GOOD.

Hello land - You're GOOD.

Hello trees, flowers and grass - You're GOOD.

Hello stars, planets, moon - You're GOOD.

Hello sea and sky - You're GOOD.

Hello birds and fish- You're GOOD.

Hello animals- You're GOOD.

God saved the best till last - People to share his happiness. His children, and the world was their perfect home.

"You look like me - you're the most beautiful thing I have made!"

God loved them with all his heart. They were GOOD.

They joined in the song of stars and the streams and the wind, the wonderful song of love to Him who made them.

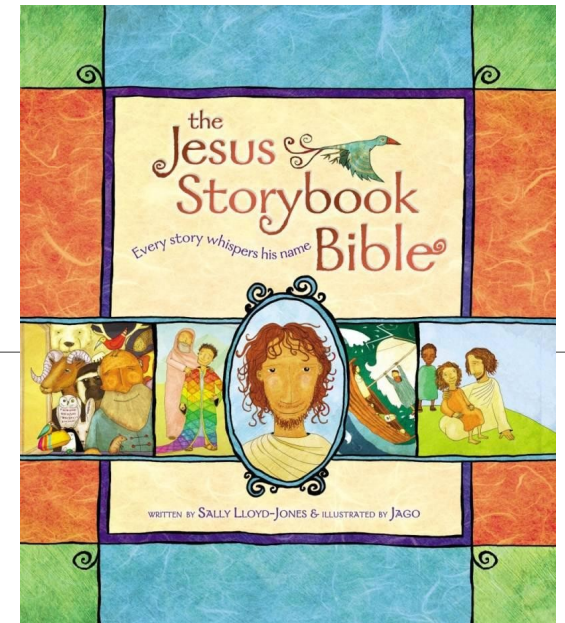

They were filled with happiness. Nothing ever made them sad or lonely or sick or afraid.

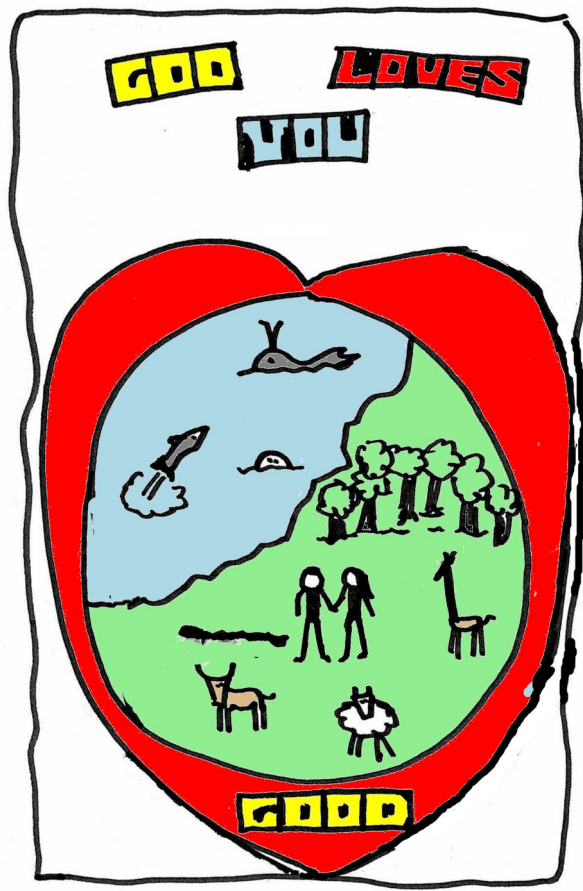

God looked at everything and said "Perfect!" Very Good.

It is another story, and a sad one, for they did not stay perfect.

But God's love is bigger than the whole world, and bigger than even the Bad we do. God would move heaven and earth to bring his children home. But that is another wonderful love story!

Inspired by the WONDER-FULL "Jesus Storybook Bible" by Sally Lloyd-Jones and Jago.

God says "I have loved you with an everlasting love."
